El Putxet de Gotmar

This spacious villa with Sea Views is located on the hillside of the popular residential complex of Gotmar, a mere 15 minutes walking to the centre of Puerto Pollensa, its beach, restaurants and shops. It is built on 2 levels with different terraces and large sitting areas on each level. Air conditioning in all bedrooms. It is the ideal villa for families or couples wishing to walk down to the excellent restaurants of Puerto Pollensa or simply to have an evening drink on the nice terraces with spectacular views.

Due to the different levels, this lovely property may not be suited to the elderly or families travelling with toddlers.
